## Interpretation of Act 30

2. This Act must not be interpreted as entitling any person who is defined as a military veteran in this Act, or his or her dependants, to any benefit provided for in this Act or any other law merely on the grounds of such definition.

## Fundamental principles recognised by State, and policy objectives

3. (1) For the purposes of this Act, the following fundamental principles are recognised by the State as governing affairs relating to military veterans: 35
- (a) Sacrifices made by military veterans in the service of or for their country or their role in the democratisation of South Africa are honoured;
- (b) compensation to which military veterans may be entitled for disablement constitutes reparation and is, despite any provision to the contrary contained 40
- in any law, not a welfare benefit;
- (c) in the event of a military veteran or category of military veterans being considered for possible non-contributory aid by the State, such military veteran or category of military veterans must be subjected to a means test to determine their eligibility; 45
- (d) special consideration must be given to benefit and relieve military veterans who suffer from physical or mental disability arising from military service rendered by them;
