

## 1. Section: Curriculum Vitae

NOTE: DO NOT USE FONTS OF LESS THAN 10.

Name:	Siyabonga Blessing Dlamini	E-mail:	
-------	----------------------------	---------	--

Education/Training (Begin with baccalaureate or other initial professional education and include postdoctoral training)

Institution and Location	Degree	Year (s)	Field of Study
Mangosuthu University of Technology (formerly Mangosuthu Technikon)	National Diploma in Biomedical Technology	1995 to 2000	Health
University of KwaZulu-Natal, Durban, RSA	Postgraduate Diploma – modules later credited to the MPH	2001 to 2002	Public Health
University of KwaZulu-Natal, Durban, RSA	Masters	2003 to 2007	Public Health
University of KwaZulu-Natal, Durban, RSA	PhD	2013 to 2016	Public Health

### Additional Courses/ Workshops/ Seminars/ Training Programmes

Course Name	Institution	Date Completed and Duration
Intensive R for Epidemiologists	Columbia University's Department of Epidemiology	1 – 30 June 2023 (1 month Summer School)
Global Tobacco Surveillance System (GTSS) Data to Action Virtual Workshop for the African Region	Global Tobacco Surveillance System (GTSS)	14 – 25 June 2021 (2 weeks)
Grant Writing Workshop	University of KwaZulu-Natal, Durban	4 August 2021 (1-day workshop)
COVID-19 Modelling	CSIR, online	5 August 2020 (1-day workshop)
Applied Spatial Analysis in Epidemiology	Columbia University's Department of Epidemiology	1 – 30 June 2019 (1 month Summer School)
Cancer Epidemiology Course	Wits Health Consortium, Johannesburg	11 – 17 November 2017 (1 week)
Supervising Research in Higher Education	University of KwaZulu-Natal, Durban	January 2017 (1 week)
Designing and Evaluating Curricula in Higher Education	University of KwaZulu-Natal, Durban	October 2016 (1 week)
Assessing Learning in Higher Education	University of KwaZulu-Natal, Durban	January 2017 (1 week)
Teaching and Learning in Higher Education	University of KwaZulu-Natal, Durban	12 – 14 October 2016 (1 week)

Research Capacity Building Initiative	South Africa Netherlands research Programme on Alternatives in Development (SANPAD), Durban, Johannesburg & Cape Town.	September 2008 - September 2009 (1 Year)
Biostatistics course	South African Medical Research Council, Cape Town	December 2006 (1 week) (Module for non-degree purpose)
Health Promoting Schools	South African Medical Research Council, Cape Town	December 2005 (1 week) (Module for non-degree purpose)
Social Network Analysis	Maastricht University, Netherlands	June 2005 (1 day)
Health Promotion and Health Education	Maastricht University, Netherlands	July 2005 (1 Week Summer School)
Intervention Mapping for developing HIV/AIDS interventions	Maastricht University, Netherlands	July 2005 (1 Week Summer School)
Qualitative Methodology Course	Prof. C Kiefer from the University of California, San Francisco	2002 (1 Week)
HIV/AIDS Workshop	DrumAide, Durban	2001 (weekend workshop)
Facilitating the new MBChB curriculum	University of KwaZulu-Natal, Durban	2001 (3 days)
Research Ethics Evaluation	Training and Resources in Research Ethics Evaluation (TRREE)	15 February 2022 (1 day)
Introduction to Research Ethics	Training and Resources in Research Ethics Evaluation (TRREE)	15 February 2022 (1 day)
South Africa Specific Research Ethics	Training and Resources in Research Ethics Evaluation (TRREE)	15 February 2022 (1 day)
Informed Consent	Training and Resources in Research Ethics Evaluation (TRREE)	15 February 2022 (1 day)

**A. Positions. List in chronological order positions held, concluding with your present position.**

<b>Positions Held (employment – most recent listed first)</b>			
<b>Institution</b>	<b>Position</b>	<b>Periods</b>	<b>Brief explanation if applicable</b>
University of KwaZulu-Natal	nGAP Lecturer	12 September 2016 – to date	Lecturing, supervision and research
Human Sciences Research Council	Project Manager	01 Mar 2015 – 15 October 2015	Early Childhood Household Stimulation (ECHS) Baseline Project (March to August)
Self employed	Independent postgraduate research consultant	01 November 2015 – 31 August 2016	Offering consulting services to postgraduate students on their research projects.
South Africa Netherlands research Programme on Alternatives in Development (SANPAD)	Research Capacity Initiative (RCI) Manager	01 February 2010 – 31 December 2013	Managing and coordinating a predoctoral research capacity building programme, working with both local and international scholars and researchers.
University of KwaZulu-Natal	Project coordinator	01 January 2003 – 31 January 2010	Working on various research projects (including HAST, gender based violence, and alcohol and drug abuse) under the supervision of Prof Myra Taylor. The tasks included

			developing training manuals and behavioural interventions, coordination of project activities, recruitment of project staff, data analysis, dissemination of results, conference presentations, article writing, and meeting with stakeholders.
University of KwaZulu-Natal	Field worker/Junior Researcher	01 June 1999 – 31 December 2002	Data collection and capturing.

## B. Recognition of your standing in the discipline.

Explanation	Your Role

**C. Peer-reviewed publications (in chronological order with latest dates first). Do not include publications submitted or in preparation. If publications are included that have been accepted for publication, proof must be attached. Entries should be numbered and co-authors shown, where applicable. The length of the various publications should be indicated by means of the inclusion of page numbers. Candidates should quantify their individual contribution to any joint publications. List teaching/learning publications under heading D.**

Journal Publications					
#	Year	Authors, title, journal, volume, pages	Your Contribution	Google Scholar Citations	Web of Science Citations
1	2024	Mukanga B, Dlamini SB, Taylor M. Stakeholders' Experiences and Preferences Regarding Comprehensive Sexuality Education in Zambia: Implications for Determining Programme Priorities and Strategies. <i>Int. J. Environ. Res. Public Health</i> 2024, 21, 1043. <a href="https://doi.org/10.3390/ijerph21081043">https://doi.org/10.3390/ijerph21081043</a>	I provided the technical guidance from the design to implementation of the research, as the main supervisor. I also reviewed the drafts and approved the final manuscript.	0	0
2	2024	Mukanga B, Dlamini SB, Taylor M. Cultural appropriateness of a Comprehensive Sexuality Education: Implications for Programme Adaptation and Implementation in resource-limited Countries. <i>Sex Education</i> , 2024:1-16. <a href="https://doi.org/10.1080/14681811.2024.2367761">https://doi.org/10.1080/14681811.2024.2367761</a>	I provided the technical guidance from the design to implementation of the research, as the main supervisor. I also reviewed the drafts and approved the final manuscript.	0	0
3	2024	Mukanga B, Dlamini SB, Taylor M. Adolescents' risky sexual behaviours and practices: Implications for sexuality education implementation in Zambia. <i>African Journal of Primary Health Care and Family Medicine</i> , 2024;16(1), a4476. <a href="https://doi.org/10.4102/phcfm.v16i1.4476">https://doi.org/10.4102/phcfm.v16i1.4476</a>	I provided the technical guidance from the design to implementation of the research, as the main supervisor. I also reviewed the drafts and approved the final manuscript.	0	0
4	2024	Mukanga B, Dlamini SB, Taylor M. Process evaluation of comprehensive sexuality education programme in secondary schools in Zambia. A focus on contextual factors, quality of implementation and development process. Accepted for publication in the <i>BMC Health Services Research</i> .	I provided the technical guidance from the design to implementation of the research, as the main supervisor. I also reviewed the drafts and approved the final manuscript.	0	0
5	2023	Dlamini T, Dlamini SB. Perspectives of pregnant women towards maternal health information handouts at Msunduzi Sub-District in KwaZulu-Natal. Accepted for publication in the <i>African Journal of Primary Health Care and Family Medicine</i> .	I guided the study from conceptualisation, implementation and write-up, as the supervisor for the first	0	0

			author. I reviewed all the drafts and approved the final draft.		
6	2023	Dlamini SB, Sartorius B, Ginindza TG. Pre- and Post-intervention survey on lung cancer awareness among adults in selected communities in KwaZulu-Natal, South Africa: A Quasi-Experimental study. <i>Journal of Public Health in Africa</i> . 2023;14(1). DOI: 10.4081/jphia.2023.2131.	As the first author, I was the main investigator in this study and, therefore, led the conceptualisation, implementation and write-up. I wrote and revised all the drafts for and the final draft.	0	0
7	2022	Dlamini SB, Hlongwana K, Ginindza TG. Lung cancer awareness training experiences of community health workers in KwaZulu-Natal, South Africa. <i>African Journal of Primary Health care and Family Medicine</i> . 2022;14(1). DOI: 10.4102/phcfm.v14i1.3414.	As the first author, I was the main investigator in this study and, therefore, led the conceptualisation, implementation and write-up. I wrote and revised all the drafts for and the final draft.	0	1
8	2022	Dlamini SB, Sartorius B, Ginindza T. Knowledge, attitudes and practices towards lung cancer among adults in KwaZulu-Natal, South Africa: a cross-sectional survey. <i>Journal of Public Health in Africa</i> . 2022. 13(3). <a href="https://doi.org/10.4081/jphia.2022.2111">https://doi.org/10.4081/jphia.2022.2111</a>	As the first author, I was the main investigator in this study and, therefore, led the conceptualisation, implementation and write-up. I wrote and revised all the drafts for and the final draft.	0	0
9	2021	Xaba T, Dlamini S. Factors associated with consumption of fruits and vegetables amongst adults in the Alfred Duma Local Municipality, Ladysmith. <i>South African Journal of Clinical Nutrition</i> . 2020:1-12.	I supervised the work from conceptualisation, implementation and write-up. I critically reviewed and approved the final manuscript.	10	5
10	2019	Dlamini SB, Sartorius B, Ginindza T. Mapping the evidence on interventions to raise awareness on lung cancer in resource poor settings: a scoping review protocol. <i>Systematic reviews</i> . 2019;8(1):217.	As the first author, I was the main investigator in this study and, therefore, led the conceptualisation, implementation and write-up. I wrote and revised all the drafts for and the final draft.	6	5
11	2018	Ross A, Naidoo C, Dlamini SB. An evaluation of the medical internship programme at King Edward V111 hospital, South Africa in 2016. <i>South African Family Practice</i> . 2018;60(6):187-91.	I was involved in the analysis of the data. I also participated in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	15	2
12	2014	Taylor M, Jinabhai C, Dlamini S, Sathiparsad R, Eggers MS, De Vries H. Effects of a teenage pregnancy prevention program in KwaZulu-Natal, South Africa. <i>Health Care for Women International</i> . 2014;35(7-9):845-58.	I participated in the conceptualisation, and implementation. I was also involved in the drafting of the manuscript and	65	33

			provided intellectual inputs. I reviewed and approved the final manuscript.		
13	2011	Shasha Y, Taylor M, <b>Dlamini S</b> , Aldous-Mycock C. A situational analysis for the implementation of the National School Health Policy in KwaZulu-Natal. Development Southern Africa 2011; 28(2):293-303.	I participated in the conceptualisation, and implementation. I was also involved in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	15	7
14	2010	Taylor M, Dlamini SB, Meyer-Weitz A, Sathiparsad R, Jinabhai CC, Esterhuizen T. Changing sexual behaviour to reduce HIV transmission – a multi-faceted approach to HIV prevention and treatment in a rural South African setting. AIDS care 2010; 22(11):1395-1402.	I participated in the conceptualisation, and implementation. I was also involved in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	22	11
15	2009	Dlamini SB, Taylor M, Mkhize N, Huver R, Sathiparsad R, de Vries H, Naidoo K. Gender factors associated with sexual abstinent behaviour of rural South African high school going youth in KwaZulu-Natal, South Africa. Health Education Research 2009; 24(3):450-460.	As the first author, I was the main investigator in this study and, therefore, led the conceptualisation, implementation and write-up. I wrote and revised all the drafts for and the final draft.	37	13
16	2008	Sathiparsad R, Taylor M, Dlamini S. Patriarchy and family life: Alternative views of male youth in rural South Africa. Agenda 2008; 22(76):4-16.	I participated in the conceptualisation, and implementation. I was also involved in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	67	14
17	2007	Taylor M, Dlamini SB, Nyawo N, Huver R, Jinabhai CC, de Vries H. Reasons for inconsistent condom use by rural South African high school students. Acta Paediatrica 2007 Feb;96(2):287-291.	I participated in the conceptualisation, and implementation. I was also involved in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	42	20
18	2007	Taylor M, Dlamini SB, Nyawo N, de Vries H, Sathiparsad R, Jinabhai CC, Huver RME, Sullivan KR. The association between HIV testing and sexual behaviour amongst rural Zulu high school students in KwaZulu-Natal, South Africa. The Southern African Journal of Epidemiology and Infection 2007;22(1):23-29.	I took part in the conceptualisation, and implementation. I was also involved in the drafting of the manuscript and provided intellectual	10	3

			inputs. I reviewed and approved the final manuscript.		
19	2007	Taylor M, Dlamini SB, Sathiparsad R, Jinabhai C, de Vries H. Perceptions and attitudes of secondary school students in KwaZulu-Natal towards virginity testing. <i>Health SA Gesondheid</i> 2007;12(2):27-36.	I took part in the conceptualisation, and implementation. I was also involved in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	27	0
20	2006	Nyawo N, Taylor M, Dlamini SB, Jinabhai CC. Investigate prevalence and influence of alcohol use on sexual behaviour on school-going learners of KwaZulu-Natal (Abstract). <i>The Southern African Journal of Epidemiology and Infection</i> 2006;21(3):105.	I was involved in the analysis of the data. I also participated in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	1	0
21	2006	Dlamini SB, Taylor M, Nyawo N, Sathiparsad R, Jinabhai CC, de Vries H, Huver R. Influences on sexual abstinent behaviour of rural African high school youth in KwaZulu-Natal (Abstract). <i>The Southern African Journal of Epidemiology and Infection</i> 2006;21(3):112.	As the first author, I was the main investigator in this study and, therefore, led the conceptualisation, implementation and write-up. I wrote and revised all the drafts for and the final draft.	0	0
22	2004	Taylor M, Jinabhai CC, Naidoo K, Dlamini SB, Sullivan KR. The epidemiology of schistosomiasis among Zulu children in a rural district in South Africa: determining appropriate community-based diagnostic tools. <i>The Southern African Journal of Epidemiology and Infection</i> 2004;19(3,4):90-95.	I participated in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	6	0
23	2003	Taylor M, Dlamini SB, Kagoro H, Jinabhai CC, Sathiparsad R, de Vries H. Self-reported risk behaviour of learners at rural KwaZulu-Natal high schools. <i>Agenda</i> 2003;53:69-74.	I participated in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	12	0
24	2003	Taylor M, Dlamini SB, Kagoro H, Jinabhai CC, de Vries H. Understanding high school students' risk behaviours in KwaZulu-Natal, South Africa to reduce the HIV/AIDS epidemic. <i>Journal of School Health</i> 2003;73(3):97-100.	I participated in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	80	23
25	2003	Taylor M, Jinabhai CC, Naidoo K, Kleinschmidt I, Dlamini SB. An epidemiological perspective of substance use among high school pupils in rural KwaZulu-Natal. <i>South African Medical Journal</i> 2003;93(2):136-140.	I participated in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	42	22

26	2002	Taylor M, Dlamini S, Kagoro H, Jinabhai C, Sathiparsad R, De Vries H. Self-reported risk behaviour of learners at rural KwaZulu-Natal high schools. Agenda 2002; 17(53):69-74.	I participated in the drafting of the manuscript and provided intellectual inputs. I reviewed and approved the final manuscript.	12

Conference Presentations				
#	Year	Authors, title, conference details	Your Contribution	Any Recognition (best paper, invited plenary etc.)
1	2023	Dlamini SB, Sartorius B, Ginindza TG. Barriers to seeking medical assistance among selected communities in KwaZulu-Natal, South Africa: Implications on the aspirations of the Ideal	Designed the study, collected data, carried out the analysis and wrote up the presentation.	None

		Clinic Realisation and Maintenance Programme. KZN Health Research Day 2023 (Improving health and healthcare in KZN – From data to evidence-based decision making), in Durban, South Africa (06 December 2023).		
2	2023	Dlamini SB, Sartorius B, Ginindza TG. Barriers to seeking medical assistance among selected communities in KwaZulu-Natal, South Africa: Implications on the aspirations of the Ideal Clinic Realisation and Maintenance Programme. Public Health Association of South Africa (PHASA) Conference (Transforming Research Translation: Reimagining Public Health Evidence, Policies, and Practice), in Gqeberha, South Africa (10 – 13 September 2023).	Designed the study, collected data, carried out the analysis and wrote up the presentation.	None
3	2023	Nene S, Lubuzo B, Dlamini S, Jafta N, Ginindza T, Hlongwana K. Multinational Lung Cancer Control Program as a partnership model towards strengthening health systems for lung cancer care in South Africa. Public Health Association of South Africa (PHASA) Conference (Transforming Research Translation: Reimagining Public Health Evidence, Policies, and Practice), in Gqeberha, South Africa (10 – 13 September 2023).	I participated in designing the study, the analysis and writing up the presentation with intellectual contribution as a co-author.	None
4	2023	Xaba T, Dlamini SB. Factors associated with consumption of fruits and vegetables amongst adults in the Alfred Duma Local Municipality, Ladysmith. Public Health Association of South Africa (PHASA) Conference (Transforming Research Translation: Reimagining Public Health Evidence, Policies, and Practice), in Gqeberha, South Africa (10 – 13 September 2023).	I supervised the work from conceptualisation, implementation and write-up. I critically reviewed the draft and approved the final presentation.	None
5	2023	Nene S, Lubuzo B, Dlamini S, Jafta N, Ginindza T, Hlongwana K. Multinational Lung Cancer Control Program as a partnership model towards strengthening health systems for lung cancer care in South Africa. The 14 <sup>th</sup> AORTIC International Conference of Cancer in Africa, in Dakar, Senegal (2 – 6 November 2023).	I participated in designing the study, the analysis and writing up the presentation with intellectual contribution as a co-author.	None
6	2023	Motlana MKTN, Hlongwana KW, Maphumulo NV, Mdluli SM, Bhadree S, Govender L, Mtolo S, Lubuzo B, Dlamini SB, Ginindza TG. Inter-institutional and multidisciplinary collaborative interventions towards improving palliative care services for patients living with cancer in KwaZulu-Natal, South Africa. Palliative Care Conference 2023, in Cape Town, South Africa (26 – 29 April 2023).	I participated in designing the study, the analysis and writing up the presentation with intellectual contribution as a co-author.	None
7	2022	Dlamini SB, Sartorius B, Ginindza TG. Pre- and Post-intervention survey on lung cancer awareness among adults in selected communities in KwaZulu-Natal, South Africa: A Quasi-Experimental Study.	Designed the study, collected data, carried out the analysis and wrote up the presentation with intellectual contribution from the co-author	None

		Inaugural Annual Comprehensive Hematology and Oncology Review (AnCHOR) in Eldoret, Kenya (20 – 23 April 2022).		
8	2022	Dlamini SB, Sartorius B, Ginindza TG. Community health worker experiences of the training on lung cancer community awareness intervention in KwaZulu-Natal, South Africa. Inaugural Annual Comprehensive Hematology and Oncology Review (AnCHOR) in Eldoret, Kenya (20 – 23 April 2022).	Designed the study, collected data, carried out the analysis and wrote up the presentation	None
9	2022	Dlamini SB, Sartorius B, Ginindza TG. Pre- and Post-intervention survey on lung cancer awareness among adults in selected communities in KwaZulu-Natal, South Africa: A Quasi-Experimental Study. Public Health Association of South Africa (PHASA) Conference (Building Back Better: Public Health Resilience and Recovery), in Durban, South Africa (11 – 14 September 2022).	Designed the study, collected data, carried out the analysis and wrote up the presentation.	None
10	2022	Dlamini SB, Sartorius B, Ginindza TG. Community health worker experiences of the training on lung cancer community awareness intervention in KwaZulu-Natal, South Africa. Public Health Association of South Africa (PHASA) Conference (Building Back Better: Public Health Resilience and Recovery), in Durban, South Africa (11 – 14 September 2022).	Designed the study, collected data, carried out the analysis and wrote up the presentation.	None
11	2021	Dlamini SB, Sartorius B, Ginindza TG. Baseline knowledge, attitudes and practices of selected KwaZulu-Natal communities regarding lung cancer. PHASA) Conference (Keeping the promise: Closing the gap), online, South Africa (15 – 17 February 2021).	Designed the study, collected data, carried out the analysis and wrote up the presentation.	None

#	Year	Explanation of output	Your Role

**D. TALENT MAPPING INFORMATION (for external candidates obtain a history of performance scores)**

	Performance Score	Talent Mapping (P-P Matrix) – Readiness for next level	Scarce/ Critical Talent (Y/N)	Talent Category (Critical = Green Quadrant; Key Stabiliser = Gold Quadrant; Potential Contributor – Red Quadrant)
Year 1 (2021)				
Year 2 (2020)				
Year 3 (2019)				

**Research Support. List Research Grants and other forms of support for your research.**

Research Grants				
Period	Funder	Title of Grant	Amount	Your Role
2017 - 2019	Bristol-Myers Squibb Foundation (BMSF)	Multinational Lung Cancer Control Program in Sub-Saharan Africa (MLCCP): Improving access to lung cancer detection, diagnostics & quality care in Swaziland, Tanzania, Kenya and South Africa	R7, 880, 828.00	Co-PI
2019 - 2023	Bristol-Myers Squibb Foundation (BMSF)	Multinational Lung Cancer Control Programme: Strengthening of Infrastructure and Clinical Interventions for Lung Cancer in KwaZulu-Natal, South Africa	R39, 499, 688.00	Co-PI
2022 - 2024	Bristol-Myers Squibb Foundation (BMSF)	Cervical Cancer Prevention, Access and Control (CCPAC) Programme in Zululand District, KwaZulu-Natal, South Africa	R46,769,508.00	Co-PI

Other research support not included above				
Period	Funder	Explanation of support	Amount	Your Role

**Teaching. Indicate experience of curriculum and programme development and evaluation, undergraduate and post-graduate teaching and post-graduate research supervision**

Contact Teaching experience (list modules taught and your role in those modules.)	
Module details	Your role in the module
Public Health Principles and Practice Module	2018 – to date: Teacher in the module.
Basics of Health Measurement Descriptive	2017 – to date: Convene the module.
Research Methods and Bioethics Module	2017 – to date: Supervise student projects and assess student protocol presentations.
Selectives 2 Module for undergraduate medical students	2017 – 2019: Supervised group projects.
Becoming a Professional for undergraduate medical students	2017 – to date: Facilitate student group work and assess student presentations at the end of the module.

Curriculum and programme development and evaluation	
Explain the nature of the activity	Your role in this process
Establishment of new Socio-Behavioural Stream in our MPH Programme	I am a module developer in this new track
Redesigning Master of Public Health Curriculum: A case study from a South African University (as a study)	Co-PI
School Teaching and Learning	I am the discipline representative in this committee, where I assess the programme and module templates before they go to the next level of approval processes.
Postgraduate Diploma In Public Health Programme Review	I am the discipline coordinator of the scheduled review of the discipline's postgraduate diploma programme.

Postgraduate Student Supervision (Masters and Doctoral level)					
Student Name	Study Level	Period (indicate Graduation year if completed)	Thesis Title	Supervisor/ Co-supervisor	Institution

Thandi Xaba	MPH	Sep 2019	Factors associated with consumption of fruits and vegetables amongst adults in the Alfred Duma Local Municipality, Ladysmith.	Sole Supervisor	UKZN
Lebogang Moagi	MPH	Nov 2021	Tetanus toxoid (TT) coverage among grade one and seven learners, Tshwane central sub-district, Gauteng.	Sole Supervisor	UKZN
Rosemary van Heerden	MPH	May 2023	Exploring employees' lived experiences of contracting COVID-19 in selected Tongaat Primary Health Care facilities in 2020.	Main Supervisor	UKZN
Philisiwe Ximba	MPH	Sep 2023	Factors associated with Vernal Keratoconjunctivitis among Children under 13 years visiting a clinic at Eshowe in King Cetshwayo District during the year 2021.	Sole Supervisor	UKZN
