COMPETENCIES AND SKILLS

During my time at Walter Sisulu University, I was a student activist and involved myself with various organizations both political and apolitical that represented students and their rights including an organization named Student for Law and Social Justice(SLSJ). Received training at Law Society of South Africa in East London and done Articles with a Mthatha based Law Firm, attained valuable experience in Magistrates and High Court procedures as well as sharp skill in drafting, writing and perusing of extensive documents. Further on in my life got experience in local government field which is people orientated as an intern and later as a manager in the Municipality.
