WORK EXPERIENCE

2025 Jan-present Candidate Attorney

Pinsent Masons Africa LLP, Rosebank, Johannesburg

- Rotated in the Construction, Advisory and Disputes (CAD), Project Finance (PF), Litigation, Regulatory and Tax (LRT) teams.
- Drafted several POPIA/PAIA compliance handbooks for internal use as well as international companies who have a presence in South Africa.
- Drafted and reviewed legal documents, including contracts and pleadings, to ensure compliance with regulations and support client objectives.
- Assisted in co-authoring multiple published articles on cyber security breaches under POPIA.

2024 Apr-2025 Feb Research Intern

Supreme Court of Appeal, Bloemfontein, South Africa

- Conducted legal research on case law and legislation, contributing to informed legal strategies in court proceedings.
- Assisted in drafting legal documents, including opinions and briefs, enhancing clarity and effectiveness for judicial review.
- Maintained organised records of case files, facilitating compliance with legal

standards and improving accessibility for team members.

SKILLS AND ABILITIES

- Analytical skills
- Attention to detail
- Legal drafting
- Contract review
- Document review
- Legal Research
- Microsoft Office
- Verbal and written communication

PUBLICATIONS

- FlySafair data breach highlights reporting duties in South Africa – Pinsent Masons Out-Law, May 2026.

Researched and co-authored a published Pinsent Masons Out-Law article on the FlySafair data breach, analysing POPIA's data protection, information security and breach notification requirements in South Africa.
