

**NOMINATION OF CANDIDATES TO BE APPOINTED BY THE MINISTER OF
SOCIAL DEVELOPMENT AS MEMBERS OF THE CENTRAL DRUG AUTHORITY**

NOMINATION FORM

I nominate (print the full names and surnames of the candidate)	DR ANDREW SCHEIBE
As a candidate to be appointed by the Minister of Social Development as a member of the Central Drug Authority	
(Print full first names and surname)	Signature of the person nominating
NADINE CATHERINE BURNHAMS (HARKER)	

DECLARATION BY PERSON WHO SIGNS NOMINATION

I (print the full names and surname).....NADINE CATHERINE BURNHAMS	
.....	
.....	
Declare that I am a South African citizen resident in the Republic at (state full residential address and telephone:.....)	
..... CELL NUMBER	
Signature of a person nominating	
I certify that the deponent has acknowledged that he/she knows and understands the contents of this declaration.	
Sworn in/ affirmed and signed before me	
at.....on.....	
Commissioner of Oaths	
Name:.....	Rank/Designation:.....
Signature:.....	Date: 08 July 2005

 COMMISSIONER OF OATHS - EX OFFICIO
 MEDICAL RESEARCH COUNCIL
 SOUTH AFRICA
 FRANCIE VAN ZIJL DRIVE
 PAROW VALLEY

CONSENT TO NOMINATION

I (print full names and surname)..... Andrew Philip Scheibe	
..... declare that:	
a) Consent to nomination;	b) I am a South African citizen;
c) I am permanently resident in the Republic at (state full residential address)	

[REDACTED]

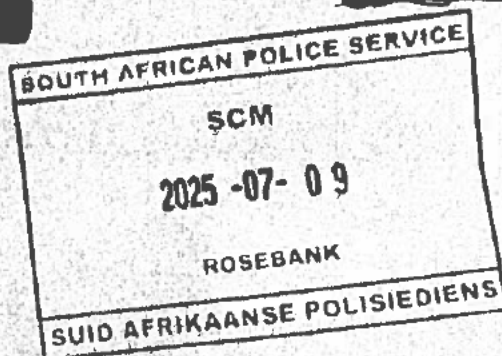

d) Agree to accept the nomination.....
 Signature of nominee: [Signature]

Simultaneously with the lodging, each candidate shall lodge with the Minister:-
 a) A curriculum vitae; and
 b) ID/Passport photograph

Sworn in/affirmed and signed before me
 at [Signature] on 09/07/2025
 Commissioner of Oaths
 Name: [Signature] Rank/ Designation: [Signature]
 Signature: [Signature] Date:

Each nomination shall be lodged with the Ministry by post, or by hand not later than 30 June 2025.

 or Mr Mogotsi Kalaeamodimo at [REDACTED]

Curriculum Vitae // Andrew Philip Scheibe

[REDACTED] South Africa (SA mobile) [REDACTED]	Date of birth: [REDACTED] Nationality: South African ORCID ID [REDACTED]
---	--

A drug use and harm reduction expert, with over 15 years of research, stakeholder engagement, project management and evaluation experience relating to HIV, viral hepatitis and related infectious diseases and working with people who use drugs community members and organisations. A diverse set of interpersonal, communication, information technology, analytic, research and clinical skills are complemented by a reliable, charismatic personality and a commitment to excellence. Publications include peer-reviewed articles (>50), reports, implementation plans, policy briefs and conference presentations. Experienced in multi-sectoral engagement around health and development programmes, strategy and policy for key populations, specifically people who use drugs. Experienced in curriculum development, training, mentorship and capacity building. A consultant and expert reviewer for the World Health Organization and the United Nations Office on Drugs and Crime.

Education & Training

Institution	Degree / Course	Date	Field of Study	Performance
University of Cape Town	MBChB	2005	Medicine	Honours pass
Colleges of Medicine	HIV Management	2009	HIV Medicine	Ungraded pass
Karolinska Institute	Global Health Masters	2011-12	Global Health	70% average
University of Cape Town	Master of Public Health	2014	Health Economics	70% average

Employment History & Affiliations

Date	Position	Institution (programme)
Feb '25 - present	Honorary	University of Bristol, United Kingdom
Sep '23 - present	Researcher	PSI (Unitaid HCV prevention in people who inject drugs, HepC3P)
Jun '22 & Jun '23	Consultant	INPUD training of trainers on drugs, human rights & AIDS targets
Dec '20 - date	Consultant	UNODC (OST implementation tool for low-middle income contexts)
Sep '20 - Mar '21	Consultant	Global Initiative Against Transnational Crime (Drug Market valuation)
March - Dec '20	Consultant	WHO (South African Opioid Substitution Therapy Plan)
Feb '20 - date	Consultant	South African Network of People Who Use Drugs
Aug - Oct '19	Consultant	NACOSA (Viral hepatitis service integration into PWID services)
Aug '19 & Nov '20	Consultant	UNODC (IDUIT training manual finalization and training)
Jan '18 - Nov '20	Advisor	Bristol Myers Squibb Foundation, Secure the Future
Feb '17 - date	Senior researcher	Family Medicine, University of Pretoria (Substance Use Programme)
Aug '16 - Aug '24	Visiting professor	Urban Futures Centre, Durban University of Technology (OST project)
Jan '14 - date	Senior advisor	TB HIV Care (Key populations and strategic information)
Jun '13 - Sep '16	Senior advisor	University of California San Francisco (Key population surveillance)
Mar '13 - Jun '15	Consultant	UNODC (Rapid HIV assessment in injecting drug users, South Africa)
Nov '12 & Feb '15	Consultant	FHI360 (Sex worker programme & PWID guidance, South Africa)
July '12 - Aug '12	Consultant	UNAIDS (Drug use and HIV stakeholder analysis, South Africa)
Mar '12 - Sep '14	Consultant	University of Columbia, ICAP (Key populations programme)
Jan '12 - Jul '13	Researcher	Desmond Tutu HIV Foundation, Cape Town, South Africa
Jun '07 - May '08	Medical officer	Community Health Centres and Victoria Hospital, South Africa
Jun '06 - May '07	Medical Intern	Katatura Hospital, Windhoek, Namibia

Skills

- Management (consultation, strategic planning, communication, budgeting, human resources)
- Quantitative data analysis and scientific protocol, proposal, report and manuscript writing
- Advocacy (local and international), public speaking, teaching and engagement
- Lecturing (key populations, infectious disease, harm reduction, research methods)

Selected research experience

- Piloting the feasibility of opioid agonist therapy in a South African prison, principal investigator
- Low deadspace needles/ syringes among people who inject drugs in South Africa, local principal investigator
- Effectiveness of long-acting depot buprenorphine among people who inject drugs in South Africa, local, co-investigator
- Bio-behavioural survey among people who inject drugs in South Africa, co-investigator
- Bio-behavioural survey among people who use drugs in Guinea Bissau, lead investigator
- Drug market valuation in six African countries, co-principal investigator
- Community orientated substance use programme during COVID-19, Pretoria, senior researcher
- Assessment of viral hepatitis service integration for prisoners, Cape Town, co-investigator
- Cross sectional survey of substance use among in-patients, Pretoria, co-investigator
- Assessment of experiences of women who inject drugs, South Africa, investigator
- Community orientated substance use programme, Pretoria, senior researcher
- Evaluation of opioid substitution therapy project in Durban & Cape Town, co-principal investigator
- Situational analysis of police engagement with key populations, principal investigator
- Viral hepatitis surveillance among key populations, lead investigator
- Knowledge, attitudes and practices of lung cancer, co-investigator
- Evaluation of the demonstration project: HIV prevention services to PWID, investigator
- Formative assessment of people who inject drugs, co-principal investigator
- Evaluation of integrated key populations sensitization, principal investigator
- Rapid Assessment of HIV among PWID in five South African cities, principal investigator
- Global iPrEX, *Tenofovir/ emtricitabine for the prevention HIV among men*, co-investigator
- Key Populations, Costing & adaptation of UNAIDS Investment Framework, lead researcher
- International Partnership for Microbicides, *IPM011*, co-investigator
- CLADE study, *HIV subtyping & social networking study among MSM*, project director
- HVTN 067, HIV vaccine trial, co-investigator
- Social determinants of HIV among men who have sex with men, principal investigator

Honours & expert consultations

- International Network on Hepatitis in Substance Users (INHSU) conference. Invited speaker. 2025
- SA AIDS Conference: plenary speaker on future of HIV prevention in key populations. 2025
- International Network on Hepatitis in Substance Users (INHSU) conference. Local chair. 2025
- Law Enforcement and Public Health 2024, African conference. Programme committee. 2024
- Southern African HIV Clinicians Society. Chemsex guideline committee, co-chair. 2023
- UNAIDS working group and Reference Group on Modelling group member. 2023
- Southern African HIV Clinicians Society. Conference scientific committee member. 2023, 2025
- South African National Strategic Plan Key Population Technical Task Team member, 2023
- WHO Guidelines Development Group member Consolidated Guidelines on HIV, Hepatitis and other STI prevention, diagnosis, treatment and care for key populations. 2021
- Director & Board Member, International Network on Hepatitis in Substance Users. 2020 to date
- SA Global Fund Country Coordinating Mechanism & Oversight Committee member. 2020 to date
- WHO. Global viral hepatitis and substance use working group, chair. 2019 to date.
- International Network on Hepatitis in Substance Users (INHSU) Africa. Local chair. 2019
- Southern African HIV Clinicians Society. Harm reduction guideline committee, chair. 2019
- International AIDS Society. Scientific committee member for hepatitis-HIV meeting. 2019, 2023
- INHSU. International scientific conference committee member and reviewer. 2019, 2020, 2023
- World Health Organization. Key populations biobehavioural survey guidelines member. 2017
- International Harm Reduction Conference. Abstract review committee member. 2016, 2018

Academic teaching

- South African OAT virtual ward rounds; quality improvement initiative (2024; 2025)
- Charité –Universitätsmedizin Berlin, Institute of Tropical Medicine and International Health, Invited lecturer (2020, 2021, 2022, 2023): substance use lecture: masters in global health; alcohol and substance use disorder course convener and academic lead (2024; 2025)
- SA HIV Clinicians Society: hepatitis & harm reduction CME (2022; 2023; 2024; 2025)
- Human Sciences Research Council (2024): drug use and harm reduction
- University of Cape Town sessions for psychiatrists (2021 & 2024): harm reduction
- University of Pretoria (2021): harm reduction and viral hepatitis: 4th year medical students.
- University of Cape Town (2017): Harm reduction: post graduate diploma in addictions.
