PROFILE

A visionary social entrepreneur, constitutional rights advocate, and international administrator with over a decade of experience in grassroots mobilization, disability advocacy, and social justice. Grounded in Social Sciences and Theology, offering a multidisciplinary approach to institutional diplomacy, human rights protection, and policy-level systemic change. Proven track record of bridging the gap between historically marginalized communities, law enforcement, and state institutions to uphold the constitutional right to equality, dignity, and safety.

CORE COMPETENCIES

Constitutional & Human Rights Advocacy

Deep specialization in the Right to Equality (Section 9), Disability Rights, and the Right to Education.

Criminal Justice & Forensic Innovation: Pioneer in leveraging digital tech, 3D crime scene reconstruction, and objective data collection to protect the rights of victims and accused persons.

Socio-Economic Development (SED):

Expert in designing socio-economic frameworks to counter South Africa's "Triple Challenge" (Poverty, Inequality, and Unemployment) through inclusive macro-hiring models.

International Diplomacy & Governance: Extensive experience leading national delegations in high-pressure global environments and managing international stakeholder relationships.

Statutory & Multi-Stakeholder Collaboration:

Proven ability to build operational frameworks with corporate boards, state agencies, financial institutions, and local law enforcement.

PROFESSIONAL EXPERIENCE

Corinthians Africa | Johannesburg, SA

Founder & Chief Executive Officer | 2012 – Present

Disability Rights Leadership: Pioneered structural blind football initiatives and league systems, operationalizing the constitutional Right to Equality (Section 9) for visually impaired athletes on national and international levels.

Inclusive Employment Advocacy: Developed and implemented an inclusive corporate hiring framework that actively creates technical, administrative, and sports-related employment opportunities specifically for youth and persons with disabilities.

Educational Equity Innovation: Established the Corinthians Metaverse Academy, utilizing Meta Quest 3S technology to bridge the digital divide and enforce the Right to Education in under-resourced schools (La Rochelle Primary and Diversity High School).

Institutional Stakeholder Alignment: Successfully secured strategic, high-level compliance partnerships and funding from Nedbank CSI, Black Sash, Brand South Africa, and Pan African Resources.
