PROFESSIONAL PROFILE

Reverend Tshegofatso Mosala is a dedicated and ethical professional with experience in governance, policy development, and legal compliance, grounded in a strong commitment to human rights, social justice, and constitutional values. With a background in International Relations, Diplomacy, and Education, she has a solid understanding of human rights frameworks and their application within public and community institutions. She has contributed to strengthening governance systems, promoting accountability, and advancing ethical practices that uphold dignity, equality, and transparency.

In addition to her professional work, Ms. Mosala serves as a Reverend and is actively involved in Medical and Community Chaplaincy. Through this role, she provides spiritual care, counselling, and support to individuals and communities, particularly in times of crisis and vulnerability. Her work reflects compassion, ethical leadership, and a commitment to holistic care, promoting healing, dignity, and the protection of human and social rights. She is both experienced in law, human rights and politics she is a humbled and excellent leader.
