QUESTIONS FOR ORAL REPLY

THURSDAY, 6 NOVEMBER 2025

PRESIDENT

★19. Adv G Breytenbach (DA) to ask the President of the Republic:

What criteria informed his selection of the panel to make the recommendation on the appointment of the next National Director of Public Prosecutions? NO6751E

★20. The Leader of the Opposition (MK) to ask the President of the Republic:

(1) Whether, in view of his constitutional obligations under section 83 of the Constitution of the Republic, 1996, to uphold, defend and respect the Constitution, and the National Assembly's duty under section 55(2) of the Constitution to hold the Executive accountable, he as the Head of State and Government or through any Minister acting on his instruction, authorised the deployment of the Special Task Force and the National Intervention Unit to Richards Bay Minerals; if not, what is the position in this regard; if so, under which statutory or constitutional authority was such deployment made;

(2) whether Cabinet, Parliament and/or any oversight body was informed or consulted prior to or after the deployment; if not, what is the position in this regard; if so, what are the relevant details of the consultations?

NO6996E

★21. Mr M Ntuli (ANC) to ask the President of the Republic:

In light of the fact that the Republic is hosting the G20 Summit, whereupon he commissioned a G20 global report on inequality amid macroeconomic fears that global wealth and income inequality, which are already very high, are set to increase sharply, what are the envisaged outcomes that the Republic desires from the G20 Summit that will (a) reform the global financial architecture and (b) address some of the challenges that hold back the economic growth and development of many of the developing countries, especially in Africa?

NO6737E

★22. Mr J S Malema (EFF) to ask the President of the Republic:

- (1) Whether he has been informed of the recent murder of seven young persons at Better Life in Philippi, Cape Town; if not, what is the position in this regard; if so,
- (2) whether he is concerned with the escalation of incidences of daily killings and mass murders in Cape Town and the clear indications that the City, the Western Cape provincial government and the SA Police Service are not able to protect innocent and vulnerable persons in Cape Town from the marauding gangs; if not, what is the position in this regard; if so, what immediate to medium-term policing policy interventions does he intend to put in place to guarantee the safety of persons living in townships in Cape Town?

NO6752E

★23. Mr N M Hadebe (IFP) to ask the President of the Republic:

In view of the growing crisis of illegal migration in the Republic, which, according to various experts and civil society representatives, continues to strain public resources, undermine national security, and fuel social tensions, and given the calls for decisive government action to repatriate those who are in the Republic unlawfully while promoting legal and skills-based migration, (a) what policy interventions does he intend to initiate to address the crisis of the estimated 15% of undocumented foreign nationals and (b) how will the Government coordinate law enforcement and Home Affairs to enforce immigration laws and secure the Republic's borders?

NO7000E

★24. Ms L S Makhubela (ANC) to ask the President of the Republic:

- (1) In light of the global economic trade flow disruptions arising from unilateral imposition of tariffs, the investment confidence challenges that negatively impact the domestic industry performance and economic growth prospects and the Cabinet's recently endorsed economic response package to the 30% tariffs imposed by the United States of America, there is now also an imminent imposition of 50% European Union tariffs on the steel industry, what is the Government's comprehensive response to the global economic volatility that negatively impacts the major domestic industries, particularly the steel and related sectors;
- (2) how will the Government's ambitious strategic investment drive as part of its Investment Strategy to boost foreign direct investment, reinforce direct investment in the productive sectors of the economy to ignite industrial growth, localisation and diversification?
