QUESTIONS FOR ORAL REPLY

WEDNESDAY, 23 MARCH 2022

CLUSTER 4: ECONOMICS

★196. Mr N Singh (IFP) to ask the Minister of Forestry, Fisheries and the Environment:

In light of the fact that Eskom is by far the largest emitter of the pollutants sulphur dioxide and nitrogen oxides and the greenhouse gas carbon dioxide in the Republic due to its reliance on coal including the predicted increase in the supply and usage of coal until 2030, and the recent statement by the Minister of Mineral Resources and Energy, Mr S G Mantashe, at the Coal Colloquium on Tuesday, 1 March 2022, what are the full relevant details of how the two diametrically opposed energy-supply solutions are reconciled as the one is climate friendly and the other contributes to global climate change?

NO1117E

★180. Mr B M Maneli (ANC) to ask the Minister of Communications and Digital Technologies:

Noting that the SA Post Office (SAPO) has presented turnaround strategies which the National Treasury has declined to fund, owing to the lack of positive results in previous funded strategies, (a) how does her department intend to ensure that SAPO stays afloat, despite the demerger of the Postbank and (b) what measures of intervention is her department putting in place to ensure that SAPO services are delivered, especially to the rural poor?

NO1100E

★220. Dr D T George (DA) to ask the Minister of Finance:

With reference to his announcement during his Budget Speech on 23 February 2022 that he would engage with stakeholders regarding the possible restructuring of the fuel pricing methodology, (a) with which stakeholders has he held engagements to date and (b) what are the details of the elements of the fuel price methodology that are expected to be restructured?

NO1142E

★194. Mr S N Swart (ACDP) to ask the Minister of Finance:

What (a) does the National Treasury envisage the impact of the Russian invasion of Ukraine would be on the economic growth and recovery prospects for the global and the South African economy and (b) steps will he take to minimise the impact on ordinary South Africans?

NO1115E

★181. Mr B M Maneli (ANC) to ask the Minister of Communications and Digital Technologies:

What (a) has she found sets the current turnaround strategy of the SA Post Office (SAPO) apart from the previous strategies and (b) effective measures does her department propose, that will ensure long term sustainability for SAPO?

NO1101E

★192. Mr A M Shaik Emam (NFP) to ask the Minister of Employment and Labour:

In light of the exploitation of South African workers, including foreign nationals, by local Chinese-owned businesses in the Republic, what total number of (a) Chinese businessmen have been found guilty of violating the Labour Relations Act, Act 66 of 1995, by employing undocumented workers and (b) departmental officials have been arrested and/or charged with failing to ensure that Chinese businesses comply with the labour laws of the Republic?

NO1113E

★182. Ms N J Kubheka (ANC) to ask the Minister of Communications and Digital Technologies:

How has she found will the social compact that has been established in the Information and Communications Technology and Broadcasting sector assist her department to fulfil its mandate on bridging the digital divide by (a) providing opportunities for small operators in the sector and (b) creating employment?

NO1102E

★212. Mr M S Malatsi (DA) to ask the Minister of Communications and Digital Technologies:

Given that the SA Post Office has not been profitable for several years, what steps will her department take to ensure the financial sustainability of the SA Post Office in the (a) short- and (b) long term? NO1134E

★223. Mr N F Shivambu (EFF) to ask the Minister of Finance:

Considering the several commitments previously made by the National Treasury, what (a) measures has he put in place to establish a state-owned bank and (b) will be the process going forward to ensure that a state-owned bank is established? NO1145E

★183. Mr X S Qayiso (ANC) to ask the Minister of Finance:

Given that he announced in his Budget Speech on 23 February 2022 that the corporate income tax rate would be reduced from 28% to 27% for companies with the year of assessment ending on or after 31 March 2023, (a) how will the National Treasury ensure that the reduction of corporate income tax will encourage corporates to invest in our economy and (b) what measures are in place to close the opportunities for tax base erosion and profit shifting by companies? NO1104E

★184. Mr M G Mahlaule (ANC) to ask the Minister of Mineral Resources and Energy:

Whether, in light of the high crude oil prices due to the impact of the conflict between Russia and its neighbour, Ukraine and the closure of domestic refineries, his department intends to review the appropriateness of its Strategic Stocks Policy to develop implementation mechanisms for the storing and rotation of refined petroleum products as part of the Strategic Reserve of Fuel; if not, why not; if so, what are the relevant details? NO1105E

★185. Mr M J Wolmarans (ANC) to ask the Minister of Mineral Resources and Energy:

Since the drastic increases in the oil prices due to the conflict between Russia and its neighbour Ukraine, which directly impacts on the cost of Eskom's generation due to its dependence on diesel to run Open Cycle Gas Turbines while gas is often cited as a short- and medium-term solution to the Republic's generation constraints, given its regional and domestic abundance, how does his department intend to implement its plan for the creation of a gas industry through power generation from gas as an anchor customer? NO1106E

★207. Dr M J Cardo (DA) to ask the Minister of Employment and Labour:

What (a) is the name of each person who is responsible for drafting his department's National Labour Migration Policy and (b) total amount in Rands did it cost his department to draft the specified policy? NO1129E

★231. Ms P Madokwe (EFF) to ask the Minister of Mineral Resources and Energy:

In light of the fact that in December 2021 the Government made various commitments during the 2021 United Nations Climate Change Conference which are at odds with its stance on the continued use of fossil fuels for energy generation, how does his department plan to reconcile the need to protect the Republic's fossil fuel industry from the Western environmental consciousness of convenience with genuine climate change concerns and the Government's commitments at the conference? NO1153E

★186. Ms V T Malinga (ANC) to ask the Minister of Mineral Resources and Energy:

Whether, in view of the statement on page 45 of the *Eskom Integrated Report* of 31 March 2021 that Eskom is a key enabler of South Africa's transition towards an economically inclusive and lower carbon future, his department has ever considered the possibility for Eskom to create its own division that produces renewable energy for increasing generating capacity; if not, why not; if so, what are the relevant details? NO1107E

★200. Ms Z Majozi (IFP) to ask the Minister of Communications and Digital Technologies:

Whether, in light of the 2020-21 Annual Report of her department that the female representation is currently at 43,40% against the target of 50% on senior management level and that efforts to close the gap are not yielding the desired results, her department has (a) evaluated the efforts to identify possible shortcomings and (b) developed new and better strategies to attract suitable female candidates at senior management level; if not, why not; if so, what are the relevant details of the findings and/or strategies employed? NO1122E

★187. Ms M M E Tlhape (ANC) to ask the Minister of Agriculture, Land Reform and Rural Development:

In light of the conflict between Russia and its neighbour Ukraine that has affected different sectors of the global economy in different ways such as the agricultural products and wine that the Republic exports to Russia, (a) what has she found is the implication of the conflict between Russia and Ukraine on the Republic's agricultural export market to Russia and (b) how does she envisage this will likely affect our food security in relation to the agricultural import market? NO1108E

★215. Ms T Bodlani (DA) to ask the Minister of Communications and Digital Technologies:

What total amount in Rand has the broadcast digital migration cost her department to date? NO1137E

★221. Mr W M Thring (ACDP) to ask the Minister of Employment and Labour:

Whether, noting that the Government has relaxed the COVID-19 regulations and that the vaccines, which are still in a trial phase and lose their efficacy after about six months, do not necessarily prevent the transmission of the virus and are a violation of one's constitutional rights as well as the Nuremberg Code, he still intends to maintain his position on mandatory vaccines; if not, what is the position in this regard; if so, what are the relevant details? NO1143E

★188. Ms N P Mahlo (ANC) to ask the Minister of Agriculture, Land Reform and Rural Development:

Given that agriculture remains an important sector of our economy with great potential to help it grow and create many job opportunities and that a viable development of the agricultural sector through the development and support given to smallholder farmers is critical for the growth of the sector and food security, and noting that in February of this year her department launched the much-awaited farmer register which is a very much-welcomed development, (a) how does her department intend to use the farmer register to help promote increased productivity within the sector and (b) will the specified register be available for use in the attraction of investment in the agricultural sector?

NO1109E

★193. Mr A M Shaik Emam (NFP) to ask the Minister of Finance:

What measures will the National Treasury put in place to (a) prevent big banks from closing bank accounts of private businesses in a selective fashion leaving the companies and employees vulnerable to massive job losses and (b) ensure that State banks are created to protect businesses in the Republic from exploitation?

NO1114E

★189. Mr N Capa (ANC) to ask the Minister of Agriculture, Land Reform and Rural Development:

In light of the reference that the President of the Republic, Mr M C Ramaphosa, made in the State of the Nation Address on 10 February 2022 to the great potential that cannabis and hemp farming can have on the creation of job opportunities, and the emphasis that he placed on the fact that this new industry of hemp and cannabis should benefit traditional farmers in the most rural and impoverished areas and women and youth, (a) what progress has her department made in terms of stakeholder engagements on the Hemp and Cannabis Master Plan and (b) how does her department intend to ensure that the development of this new flourishing industry becomes truly economically inclusive and does not further contribute towards the strengthening and reinforcement of the existing agricultural monopolies?

NO1110E

★201. Mr D W Bryant (DA) to ask the Minister of Forestry, Fisheries and the Environment:

In light of the recommendations pertaining to the lion bone trade emanating from the High-Level Panel Report into the Management of Elephant, Leopard, Lion and Rhino, what are the details of the immediate steps that her department has taken to address the situation of lions that are still remaining in captivity on farms?

NO1123E

★235. Mr V Pambo (EFF) to ask the Minister of Communications and Digital Technologies:

What are the full details behind the decision of the SA Broadcasting Corporation to fire a certain person (name and details furnished)?

NO1157E

★190. Mr P M P Modise (ANC) to ask the Minister of Forestry, Fisheries and the Environment:

Given that her department has announced the results of the 2021-22 Fishing Rights Allocation Process (FRAP) and has indicated that a total of around 2 473 applications were received, although not all applications were successful, (a) what were some of the major challenges that her department had to deal with in the adjudication of the FRAP 2021-22 and (b) how does her department intend to ensure that there is greater participation in the sector by small-scale fisheries? NO1111E

★191. Ms T V B Mchunu (ANC) to ask the Minister of Forestry, Fisheries and the Environment:

Given that many South Africans are unemployed and daily facing poverty which needs to be reduced, and noting that the Republic's oceans economy provides us with immense economic opportunities as section 24 of the Constitution of the Republic of South Africa, 1996, provides for the sustainable use of the Republic's natural resources and that oil and gas exploration is one of the pillars of our oceans economy, how does her department intend to ensure that (a) the exploration of the Republic's resources occurs in strict compliance and (b) there is greater exercise of due diligence and care in dealing with risk and necessary rehabilitation in the aftermath of the process to the environment? NO1112E

★236. Ms A S Zuma (ANC) to ask the Minister of Employment and Labour:

Given that as a member of the International Labour Organisation (ILO), South Africa is guided by the ILO's International Labour Standards and Decent Work Agenda, and noting that the ILO's rights-based approach takes into consideration labour market needs and covers all migrant workers irrespective of nationality and immigration status, and in light of the growing concerns about the implementation of the Republic's labour migration policies, how (a) does the Government intend to strengthen the implementation of its policies in order to combat the exploitation of migrant workers and (b) do government departments and social partners intend to work together to address the challenge of employers who do not comply with legislation? NO1169E

★202. Mr D W Bryant (DA) to ask the Minister of Forestry, Fisheries and the Environment:

- (1) What is the status of the eviction of the unlawful occupiers from Knoflokskraal in Grabouw;
- (2) by what date is it envisaged that the process of evicting the specified unlawful occupiers will be finalised? NO1124E

★224. Mr N S Matiase (EFF) to ask the Minister of Agriculture, Land Reform and Rural Development:

In light of the fact that the 2019 Report of the Presidential Advisory Panel on Land Reform and Agriculture found that land redistribution was hamstrung, partly because beneficiary selection has not been transparent and there is evidence of so-called 'elite capture' as business persons and/or those with personal and/or political connections acquire land ahead of farmers from communal areas and/or farm dwellers who have experience, what measures has she put in place to address the challenge and/or to ensure that the system is free from political and administrative abuse, corruption, elite capture and that deserving and rightful beneficiaries of land reform are the ones who benefit?

NO1146E

★197. Mr S L Ngcobo (IFP) to ask the Minister of Employment and Labour:

What are the full relevant details of the plans that his department has put in place in order to ensure that the Republic benefits from the changes in the labour force (details furnished)?

NO1118E
