Subject: [SPAM: SpamScore 7.1] Submission on Sections 12 A,B,C,D and Section 19 B - copyright bill

Attention: Mr D.Nkosi - Chairperson of PC of Trade and Industry, Parliament, Cape Town

Good morning Mr Nkosi,

I am a retired professional librarian with 43 years experience working in the field, both locally and internationally; the last 14 years of which I was employed in one of the largest universities in South Africa, with daily contact with, primarily. postgraduate students and academic staff. My formal qualifications include two Masters degrees, an honours degree, a bachelor degree and a postgraduate diploma.

I have found the current copyright laws inadequate, antiquated and a challenge when sourcing information for my own research and when trying to assist users in their research and teaching courses. I am pleased that Sections 12 A,B,C, D and Section 19 B and C have been included in the Bill, because these open up and improve opportunities to access and share information in the digital space.

Regards
