CORE SUPPORT SERVICES

PARLIAMENT
OF THE REPUBLIC OF SOUTH AFRICA

- Advertising Value Equivalence (AVE) – represents the amount of money we would have spent had we paid for the media space we were covered in.
- Proportional AVE (PropAVE) – represents the proportional value of advertising for each Chairperson out of all the advertising space we were covered in.
- Proportional Percentage (Prop %) – represents the proportional percentage, out of the overall, for which each Chairperson's coverage accounts.

ZOOM MEETINGS

PARLIAMENT
OF THE REPUBLIC OF SOUTH AFRICA

THE SET UP

Find a quiet spot with the least amount of distractions.

A white wall is suitable but can be boring

Non-personal items such as a neat bookshelf,

A simple ornament or a houseplant can elevate the look and feel of your shot.

Mute all other electronic devices in the room.

Make sure your environment is well lit.

Light sources should be behind the device. e.g. a window.

Wear professional clothing, that you would wear at work

Sit up straight, preferably on a chair without wheels and that cannot swivel.

Adjust the device till the camera is at eye level.

Adjust the volume on your device.

For mobile devices such as phones and tablets, orientation should be horizontal or landscape.

Your face, neck and shoulders should be centered in the shot.

Make sure there is a 1cm space above your head.

ZOOM MEETINGS

THINGS TO AVOID

Deep V-neck tops or strapless tops

Clothing with patterns, stripes, sequins or shiny material.

Bright colors, especially bright whites, as this can become over exposed on camera.

Shiny or jangly jewelry can be distracting to the viewer.

Avoid, kitchens, bedrooms, reflective backgrounds such as mirrors.

Clean up any mess or trash visible in the shot.

Keep pets, children or anyone else away from you while you are filming.

Observe all the rules of the virtual meeting.
